COMPANIES ADVISED, WORKED FOR, BOARD POSITIONS:

WHAT DANILO CAN DO FOR YOU

Advisory/Board Positions: Can serve as a NED or board member to help your company with Digital Transformation, Ai, Digital Strategy topics that help make your company more efficient and also generate new lucrative revenue streams. Experience with VC/PE fund raising & company valuation maximisation. *Great references are available upon request.*

Keynote speeches/panels/podcasts/interviews: with millions of impressions a year, Danilo can help promote events, attract sponsorship deals and key decision makers as well as deliver a great speech/panel/interview.

Product/service development: helping you revamp your product & services to be enabled with the latest tech and market trends. Given my reach and access I can help you stay ahead of market trends.

QUICK BIO

Danilo is ranked 50 most powerful people in Artificial Intelligence (Ai) in the world. Ranked top 10 people in the world for various other tech domains. Ex head of Ai at Citigroup and UnitedHealth Group where he ran some of the biggest tech/innovation programs in the world. With circa ~2 decades of experience in transforming companies himself, advising and being on boards of companies, he brings a wealth of knowledge, connections and market leading insight helping companies get a clear edge over competitors.
